

MARIE PETTIT

Marie has been a travel consultant with Maestro Travel for an amazing 15 years, starting when the company was less than a year old. Since then, she has obtained her Master's Degree in the College of Disney Knowledge, has completed Royal Caribbean's WOW University and has reached the coveted rank of Commodore in Princess Cruises Academy.

Walt Disney World has always been a special destination for Marie being that she has two wonderful children. "We have traveled there many times as a family and it's a great destination whether the kids are young or grown"!

Marie has traveled to Mexico, Canada and the Caribbean many times. Most recently, she traveled on a family cruise to the Caribbean. Her favorite things about cruising are the service, dining and entertainment. She's looking forward to her first river cruise!

Her specialties are Disney, cruises and land vacations to the Caribbean. In her spare time, she enjoys reading a great book, going for leisurely walks, shopping and spending time with husband, children and extended family.
